

## TERMS OF USE

The present Terms of Use apply to Banque Audi (Suisse) SA (“BAS”) website, digital services and applications and is supplemental to the Personal Data Protection Notice.

By accessing to BAS Website and/or applications, you agree to be legally bound by the Terms of Use then in effect.

These Terms of Use as well as the information and materials contained in BAS Website and/or digital services and/or applications are subject to change at any time and from time to time, without notice. BAS may add features to or remove features from BAS Website and/or digital services and/or applications at any time and from time to time in its sole discretion. Continued access to BAS Website and/or digital services and/or applications following any modification in these Terms of Use will constitute your acceptance of the Terms of Use as modified.

## ACCESS SUBJECT TO LOCAL RESTRICTIONS

BAS Website and/or digital services and/or applications and all information and functionalities contained within are not directed at or intended for use by any person resident or located in any jurisdiction where (1) the distribution of such information or functionality is contrary to the laws of such jurisdiction; or (2) such distribution is prohibited without obtaining the necessary licenses or authorizations by relevant authorities.

## LOCAL LEGAL RESTRICTIONS

BAS Website and/or digital services and/or applications are not directed at any person in any jurisdiction where, by virtue of that person’s nationality, residence or otherwise, the publication or availability of BAS Website and/or digital services and/or applications are prohibited or limited or in which the publication, access, consultation and/or use of data such as that appearing on this site and/or applications constitute a violation of applicable laws and regulations. You are requested to find out about the legislation applicable in your country before accessing, consulting and using BAS Website and/or digital services and/or applications.

## NO OFFER

No information or materials published on BAS Website and/or digital services and/or applications constitutes a solicitation, an offer, or a recommendation to buy or sell any investment instruments, to effect any transactions, or to conclude any legal act of any kind whatsoever.

BAS does not provide investment, legal or tax advice through BAS Website and/or digital services and/or applications and nothing herein should be construed as being financial, legal, tax or other advice. BAS does not represent that any securities or services discussed are suitable for any investor. No investment or other decisions should be made solely based on the contents or information found on BAS Website and/or digital services and/or applications.

When making a decision about your investments, you should seek the advice of a professional financial advisor or qualified expert.

## LIMITATION OF LIABILITY

BAS expressly disclaims any liability to the fullest extent permitted by law to any person for any reason in respect of the consequences of anything done or omitted through the use of or reliance on any or all of the contents of BAS website and/or digital services and/or applications. Furthermore, BAS accepts no liability

for any losses or damage arising from the use of or reliance on the information on BAS Website and/or digital services and/or applications, including but not limited to any loss or fall in profit or any direct or indirect damage.

The present disclaimer of liability applies to all damages including those caused by a failure of performance, interruption, error, deletion, defect, delay in operation or transmission, computer viruses, communication line failure, or unauthorized access of BAS Website and/or digital services and/or applications

## COLLECTION AND USAGE OF YOUR PERSONAL INFORMATION

Please refer to the Personal Data Protection Notice for the collection, conservation and usage of your personal information including sensitive information.

## INFORMATION BAS MAY COLLECT ONLINE

BAS may collect Information that does not reveal your explicit identity or does not directly relate to a person, such as information collected through cookies, browser information, and other technologies, demographic information and other information that you provide.

BAS may collect and use information in a variety of ways, including but not limited to:

- **Browser:** Some information is collected by the majority of browsers, such as your Media Access Control (MAC) address, operating system version, internet browser type and version as well as your screen resolution. BAS may use this information to ensure that the site is functioning properly and for security reasons as well.
- **Cookies:** Cookies are small text files that are sent to and stored on your computer, Smartphone or other device for accessing the internet, whenever you visit a website. Cookies are useful because they allow a website to recognize a user's device. Cookies BAS uses do not hold or capture unencrypted personal information. Cookies allow BAS to collect information such as pages visited and time spent on the site. This information is used for security purposes, to facilitate navigation, display information more effectively, personalize/customize your experience while visiting the site, and recognize your device to allow you to use BAS's online services. Statistical information about the usage of the site is collected to continually improve its design and functionality.  
The browsers of most computers, Smartphones and other web-enabled devices are typically set up to accept cookies. If you wish to adjust your cookie preferences for this site, you can do this through your browser settings. Your browser's "Help" function will guide you through it. You can reject these cookies and most browsers offer their own privacy settings for cookies. You will need to manage your cookie settings for each device and browser you use. However, if you do not accept these cookies, you may experience some inconvenience when using the site and some online products and services. For example, BAS will not be able to recognize your device and you will need to answer a security question each time you log on.
- **IP Address:** Your Internet Protocol (IP) address is a number that is automatically assigned to your device by your Internet Service Provider (ISP). Your IP Address is recognized and logged on BAS's servers whenever you visit BAS website. The time of the visit and the page(s) that were visited are also logged. IP Addresses are used for purposes such as calculating site usage levels, diagnosing server problems, for compliance and security purposes and for administering the site.
- **Pixel tags, web beacons, or other technologies:** These may be used to measure the effectiveness of BAS communications, compile statistics about usage and response rates, evaluate the success of marketing campaigns, and to help resolve account holders' inquiries.
- **Combined Data:** Combined Data is data that BAS may create or combine from various sources, including but not limited to accounts and transactions. This information, which does not identify individual account holders, is used for business purposes, which may include research, marketing or analysing market trends, offering products or services, and other purposes consistent with the applicable laws and regulations.

## EXTERNAL LINKS

BAS website may contain third party content or links to third party websites. BAS therefore accepts no responsibility for the content of any of these websites accessed by ou via such links.

## INTELLECTUAL PROPERTY RIGHTS

BAS retains all rights, title and interest in all information and content (including all text, data, graphics and logos) on BAS website and applications. Any reproduction, representation, broadcasting, distribution, display or modification, whether in whole or part, of any content of BAS website or applications is prohibited unless expressly permitted in written by BAS.

## TERMS OF USE UPDATES

BAS reserves the right to amend the present Terms of Use at any time. Any changes or updates to the present Terms of Use will be posted on BAS website.
